

USB 2.0 Flash Drive JetFlash® 360

The JetFlash 360 is a compact, portable flash drive that is ultra slim and lightweight, with a capless design that saves you the hassle of worrying about losing the USB end cap. Fitting comfortably between thumb and finger, the easy-to-grip contoured design requires minimal effort when unplugging from a USB port.

- Smooth, ergonomic design
- Convenient, one-handed operation
- Extremely slim and lightweight
- Transcend Elite data management software

Ultra slim and lightweight

Transcend Elite software
